Disc Golf

Rules

One point (stroke) is counted each time the disc is thrown and when a penalty is incurred. The objective is to play each hole in the fewest strokes possible.

Safety: Give way to ALL people when throwing. Never throw when others are in range. Stand behind the player who is throwing until their throw is complete.

Start: Each hole begins with a tee-off throw from the tee pad. After everyone has thrown, the player whose disc is furthest from the basket throws next.

Next Throw: Wherever your disc lands on the fairway is your 'lie' and where you take your next throw towards the basket. Players may take a run-up, you must throw from behind your lie. A follow through is allowed after you release the disc.

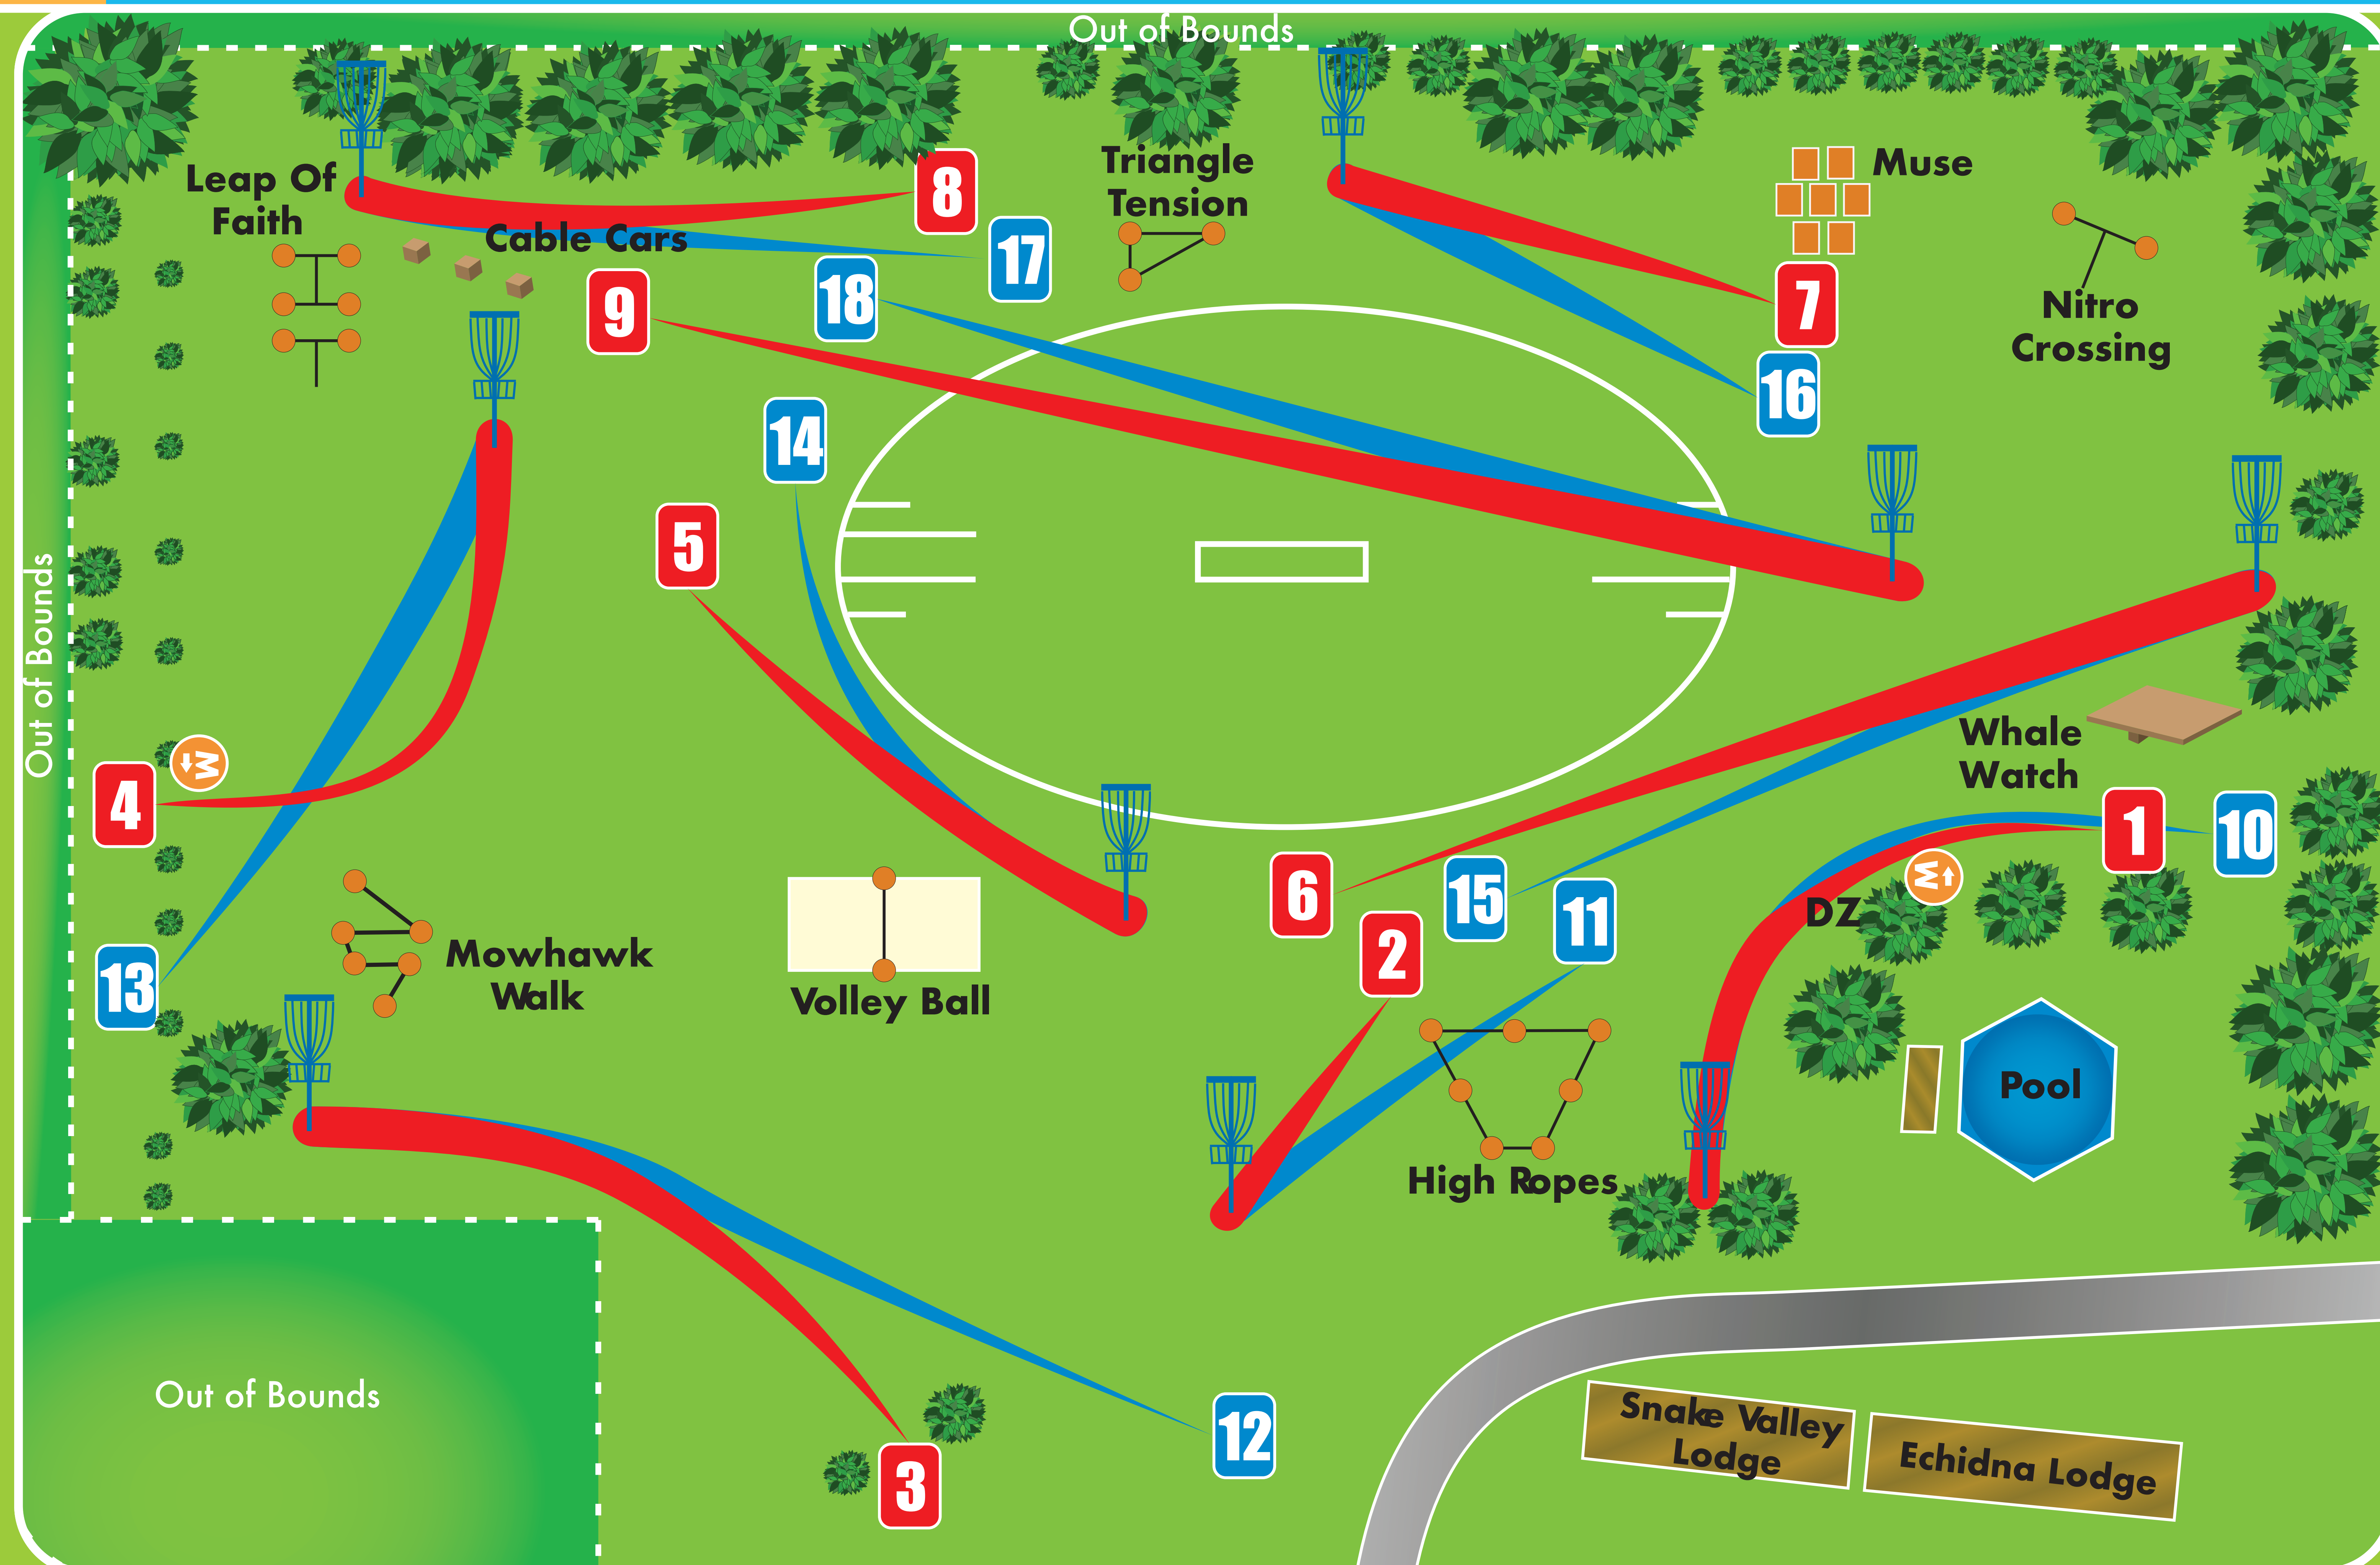

Putting: Throws less than 10m from the basket require players to stay behind your lie until the disc comes to rest.

Completion of Hole: A hole is completed when your disc comes to rest in the basket tray or chains. On top of the basket does not count.

Playing in Order: When you start each new hole, the player with the lowest score on the previous hole throws first.

Out of Bounds: A disc is out of bounds (OB) when it goes over the marked area on the map. A one-throw penalty is added to the score and the next throw is taken from the point where the disc went OB. If a disc comes to rest in a tree, the next throw is played from underneath with no penalty.

Mandatory: Mandatory's are marked with an arrow which requires you to play to the left or right of an object. Failure to make the Mandatory is a plus 1 stroke penalty and your next throw is from the marked drop zone.

Hole	1	2	3	4	5	6	7	8	9	Out	10	11	12	13	14	15	16	17	18	In	Total
